Introduction

Tremorvah Cottage is a two storey sea front cottage. There are two first floor bedrooms sleeping 4 persons. Bathroom/Toilet is upstairs. Lounge/Dining room and kitchen are on the ground floor. There is a 17inch flood-board to step over as you enter the front door. The cottage is owned and maintained by Christopher & Julie Wilson who run the nearby Warwick House Guest House, and are usually available should you need any assistance.

Pre-Arrival

Enquiries, confirmations and directions can be emailed, faxed or posted in large print format. Information on Tremorvah Cottage can be viewed in large print format in the access section of this website.

Any questions regarding accessibility at Tremorvah Cottage or the local area please contact us by telephone 01736 363881 or click the following link to open your email enquiries@tremorvahcottage.co.uk

Deafguard Fire Alarm System is available for hearing impaired guests by prior arrangement.

Arrival and car Parking Facilities

Parking is available at the Warwick House car park which is a level walk 50 meters away. Free public parking is also available opposite the cottage.

Upon request luggage will be carried to and from the cottage on arrival and departure to your car or taxi.

The keys are collected from Warwick House, which has 11 steps up to the front door, alternatively you can use your mobile to telephone us and we will meet you in the car park.

We will always check-you into the cottage personally.

Main Entrance and reception

Access to the cottage is through a gate, there are 2 steps down from the pavement onto the path leading to the front door. There is 1 step down to the front door. There is a 17inch flood-board to step over as you enter the front door. A handle is located on the left-hand side to help. There is Outside lighting by the front door.

A pen/pad available on arrival.

Facilities of the cottage will always be explained in person on arrival.

There is a Guest Information Folder which is available in large print format.

The Cottage – (Internal)

Ground Floor

Enter from the entrance porch into the lounge/dining room, the kitchen is also on this level. In the lounge/dining room there are 4 independent sources of light, wall lights, overhead light and lamps. The floor is laminated oak colour with red rug. Walls are white, furniture is dark red.

In the kitchen the floor is white laminate, work surfaces are dark grey, units are white as are the walls. There are halogen overhead lights and recessed lighting over work surfaces. Access from kitchen to a small outside area and laundry room with washing machine/dryer.

Access to the second floor is by staircase, 12 steps and handrail, from the lounge . The stair case is well lit and has red carpet.

Upstairs

The landing has red carpet and is lit by halogen spot lights, a night-light is provided in this area.

The bathroom has a white plastic bath and overhead shower, toilet and sink.

The Sea View bedroom has a double bed. Oak coloured laminate flooring with red bedside rugs. There is overhead lighting and 3 lamps. There is a vanity sink. Seating area in the window.

The twin bedroom (2 single beds) has red carpet, overhead lighting and 2 lamps.

Outside Cottage

Front garden with grass
Small patio area with table and chairs.
